

We support PV systems

Formerly Everest Solar Systems 

K2 Systems is the engineering leader for all your mounting system needs. We are the US division of an international company and we are a proud market leader with more than 16 GW installed worldwide. We have offices in Germany, England, France, South Africa, Italy, Brazil, Mexico and Australia. There are currently about 210 employees in our global company, but as we grow we need new talent to join our team of professionals and help take solar to the next level!

We are looking for a committed

Warehouse Associate

At K2 Systems there will be opportunities to shape and develop your career in an innovative industry where you participate in the energy revolution. You will be a part of a company where you can make a difference! We are a dynamic company with a friendly open-door culture. Join us and you'll get to work hard and play hard in San Diego's North County!

Roles & Responsibilities
