

We support PV systems
Formerly Everest Solar Systems 

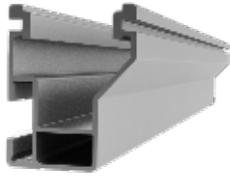

CrossRail Tilt Up Multi Row

PRODUCT SHEET

- ▶ High quality system with global engineering, optimized for residential and commercial installation.
- ▶ Inclined system that allows the front leg to be raised up to 50cm facing south.
- ▶ The Everest MK3 mounting kit simplifies module installations in a fast, easy, and secure way.
- ▶ L-Foot is compatible with common roof types..
- ▶ Structural validation according to the standard ASCE7-10.
- ▶ Flexible to various tilt angles and pre-engineered for tilts from 7-25 degrees.
- ▶ A single type of rail for the entire system, including the stays, reducing material waste.

Components

CrossRail 48-X

Part Number	Description
4000674	CrossRail 48-X, 4.22mts, Mill
4000671	CrossRail 48-X, 4.27mts, Mill

CrossRail 48-XL

Part Number	Description
4000040	CrossRail 48-XL, 4.22mts, Mill

Yeti Clamp

Part Number	Description
4000050-H	Yeti Hidden EC for CR, Mill, 13mm Hex

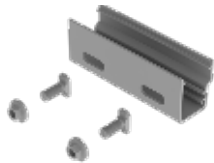

CrossRail Mid Clamp

Part Number	Description
4000601	CR MD Silver, 30-47mm
4000601-H	CR MC Silver, 30-47mm, Shared RL 30-37mm 13mm Hex
4000602-H	CR MC Dark, 30-47mm, Shared RL 30-37mm 13mm Hex
4000688-H	CR MC Silver, 38-50mm, Shared RL 28-46mm 13mm Hex
4000689-H	SR MC Silver, 38-50mm, Shared RL 28-46mm 13mm Hex

CrossRail End Clamp

Part Number	Description
4000429	CR EC Silver 35-50mm, Shared RL 33-40mm
4000430	CR EC Dark 35-50mm, Shared RL 33-40mm
4000003	SR EC Silver 46-50mm
4000004	SR EC Dark 46-50mm

CrossRail Rail Connector

Part Number	Description
4000051	Rail Connector CR 44-X, Set, Mill
4000385	RailConn CR48-X,48-XL Struct Set, Mill

Climber Set

Part Number	Description
4006042	CrossRail Climber Set w/Hole
4006042-H	CR 48-X/48-XL Climber Set w/Hole, 13mm
4006043	CR 44-X, Climber Set w.Hole

Tilt Connector Set

Part Number	Description
4000505	CrossRail Tilt Connector Set

L-Foot & T-Foot

Part Number	Description
4000630	L-Foot Slotted Set, Mill
4000080	T-Foot X, Set, Mill

Everest Ground Lug

Part Number	Description
4000006-H	Everest Ground Lug Set, 13mm Hex

CR Microinverter & Opt Mounting Kit

Part Number	Description
4000629-H	CR Microinverter & Opt Mounting Kit, 13mm

Standing Seam PowerClamps

Part Number	Description
4000016	Standing Seam PowerClamp, Mini
4000017	Standing Seam PowerClamp, Standard

Gestión de cables

Part Number	Description
4000069	TC Wire Management Clip
4000382	Sunrunner Cable Clip
4005394	Omega Wire Mangement Clip

End Caps

Part Number	Description
4000067	CR 44-X End Cap
4000431	CR 48-X /48-XL Flat End Cap
4001221	CR 80 End Cap
