Standard(s) indicated on this Certificate.

Standard(s) for Safety: UL 2703- Standard for Mounting Systems, Mounting
Devices, Clamping/Retention Devices, and Ground Lugs for
use with Flat-Plate Photovoltaic Modules and Panels

Additional Information: See the UL Online Certifications Directory at
<https://iq.ulprospector.com> for additional information

This Certificate of Compliance indicates that representative samples of the product described in the certification report have met the requirements for UL certification. It does not provide authorization to apply the UL Mark. Only the Authorization Page that references the Follow-Up Services Procedure for ongoing surveillance provides authorization to apply the UL Mark.

Only those products bearing the UL Mark should be considered as being UL Certified and covered under UL's Follow-Up Services.

Look for the UL Certification Mark on the product.
